GENERAL SAFETY

Read this manual thoroughly before you start using the Monitor.

Store this manual, the completed warranty card, your receipt and the product packaging. The safety precautions instructions reduces the risk of fire, electric shock and injury when correctly complied to.

Please follow all instructions and take notice of all warnings.

 <p>CAUTION RISK OF ELECTRIC SHOCK DO NOT OPEN</p>		<p>The lightning flash with symbol within the triangle is intended to warn you of a non-insulated dangerous voltage in the product's enclosure that could be of sufficient magnitude to generate a risk of electric shock to persons.</p>
<p>The cover (or back) of the unit should not be removed to prevent risk of electric shock.</p> <p>This unit must be serviced by a qualified service personnel only.</p>		<p>The exclamation point within the triangle is intended to warn you to the presence of important operating and maintenance instructions in the documents included with the product.</p>

IMPORTANT INFORMATION

The lightning flash symbol within the triangle is intended to warn you of non-insulated dangerous voltage the product's enclosure that could be of sufficient magnitude to generate a risk of electric shock to persons.

- Using Cabinets or stands recommended by the manufacturer of the television.
- Only using furniture that can safely support the Products.
- Ensure the Product is not overhanging the edge of the supporting furniture.
- Do not place the product on a high furniture without securing both the furniture and the product to a stable support.
- Do not place the product on cloth or other conductive materials.
- Warn children of the dangers of climbing on furniture to reach the television or its controls and to call for an adult to assist.

GENERAL SAFETY (CONT.)

IMPORTANT INFORMATION

- Do not expose this appliance to rain or moisture as it may result in fire or an electric shock hazard
- Do not tamper or change or modify the product in any way.
- Only use Accessories outlined and recommended by the manufacturer.
- Please do not expose the product to splashing or water contact
- Please do not place any object on top of the product including objects filled with liquids such as vases.
- Danger of explosion if battery is incorrectly placed. Replace with same or equivalent type.

Installation

Please follow instruction when installing this product in accordance with the instruction manual. This product must be positioned in a sufficiently stable location, it can be potentially hazardous due to falling and can cause injury, particularly to children if it positioned incorrectly.

- Before installing this Monitor, make sure your outlet voltage corresponds to the voltage stated on the product rating label
- Do not plug several devices into the same outlet. Doing so may cause the outlet to overheat and start a fire. Make sure the outlet is readily accessible during operation of the equipment.
- Do not cover the ventilation openings of the product with items such as newspapers, tablecloths, curtains etc or insert objects into the slots available on the products. As this could result in the product temperature rising and could cause a fire.
- If you notice any unusual odors or smoke around the unit, immediately disconnect the unit from the outlet and contact the service center. Failure to do so may result in fire or electric shock.
- When not using the unit for long periods of time or when you are moving the unit please ensure to disconnect the power cord from the adapter.

GENERAL SAFETY (CONT.)

- Please beware that Dust could accumulate over time on the unit and cause it to generate heat and or deteriorate insulation, which in turn may result in an electrical fire.
- The product is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or young children of any age, They must be supervised product by a person responsible for their safety.
- Batteries from the remote control must be only removed by an adult, the adult must ensure to keep them out of reach of infants and children. Seek medical attention immediately if a child has swallowed a battery.
- Batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like.
- To maintain the product do not use any chemical or cleaning agent or wet cloth, please only ensure to utilize a dry cloth to wipe it down from marks or dust and only after unplugging the product from the power socket.
- Please ensure to contact our call center for any repair or service required for the products.
- Make sure to always carry Monitor from the sides, always be sure to have assistance by another person. Do not carry the Monitor from the middle.

WARNING!

Toppling furniture and Monitor's can cause serious injury or death.

If a monitor is not positioned in a sufficiently stable location, it can be potentially hazardous due to falling. Many injuries, particularly to children, can be avoided by taking simple precautions such as:

- Using cabinets or stands recommended by the manufacturer of the monitor.
- Only using furniture that can safely support the monitor.
- Ensuring the monitor is not overhanging the edge of the supporting furniture.
- Not placing the monitor on tall furniture (for example, cupboards or bookcases) without anchoring both the furniture and the monitor to a suitable support.
- Not standing the monitor on cloth or other materials placed between the monitor and supporting furniture.
- Educating children about the dangers of climbing on furniture to reach the monitor or its controls.

GENERAL SAFETY (CONT.)

Please make sure upon positioning this product, the place is:

- Not wet or damp and Well ventilated
- Away from direct sunlight or heaters.
- Away from splashes or food.
- Protected from excessive dust or grease.
- Do not install this equipment in a confined space such as a bookcase or similar unit.
- Do not install the Monitor set near heat sources such as radiators, stoves or other audio visual equipment that produce heat.
- Do not place containers with liquids, if liquid falls inside the products it may result in short-circuit, fire or electric shock.
- Do not place small metallic objects on top of the unit. Metal object falls inside the product it may result in short-circuit, fire or electric shock.

INSTALLATION

Install the stand as described below, or if you want to mount it to a wall, please contact a professional installer. Please ensure the monitor is not plugged into the wall socket and furthermore we recommend to get another person to assist in the following task.

Attaching the stand

Step 1 Place a soft cushioned material on top of a flat surface to prevent damaging the screen panel. Then place the Monitor screen flat on top, with the screen side facing down, as illustrated below.

Step 2 Align the stand leg to the installation point, as illustrated below. Tighten the screws (supplied) with a screwdriver to affix the stand to the panel. Place the Cap on top of the hole, it will click into place.

Step 3 Align the V stand to the base of the installed stand and tighten with screw.

Step 4 Now that both parts of the stand is tightned and complete, you can now stand the monitor up to be used.

CAUTION!

INSTALLATION (CONT.)

Wall OR Monitor Arm Mounting Instructions

Please ensure the Monitor is not plugged into the wall socket and furthermore we recommend to get another person to assist in the following task.

- We recommend you use a professional installer as we assume no liability for any eventual damage to the product or injury to yourself if you mount the Monitor on your own.

3. Then go down and select **“Google Assistant”**.

Accounts will only be accessible if you have connected a Gmail account on Google Play.
A Gmail account is needed in order to download and install applications on Google Play.

FAQS

MY REMOTE CONTROL ISN'T PAIRING WITH MY SMART MONITOR?

If your remote control is not pairing or becomes disconnected, please reconnect it and pair it again in the Settings menu:

1. Press **SETTINGS** Icon
2. Select "**REMOTES & ACCESSORIES**"
3. Select "**ADD ACCESSORY**"
4. Press **BACK & VOL-** buttons at the same time for 3 seconds.
Once you detect your Bluetooth Remote control, the remote will automatically start to pair.

If it doesn't connect, try the process again until it pairs, otherwise contact our call centre: info@ayonz.com

NOTE: NOTE: You can still use your remote control without pairing. However, Google Assistant will not be available until the remote control is paired.

ANDROID MONITOR REMOTE CONTROL - APP

If you want to control your Monitor via your smart device. Search for: "Android Monitor remote control" app and download. Once following prompts to connect your smart device to your Android Monitor, you will then be able to control your Monitor from your smart phone.
