Brand History

- 1924** A company named “Ideal” was first founded in Berlin when radio was still in its infancy. Every unit was carefully tested by technicians and labelled with a seal for quality — the blue dot. It did not take long before customers simply asked for the “bluepoint” products. The blue dot quickly became known as a symbol of outstanding quality.
- 1932** The first car radio in the world was launched by Blaupunkt.
- 1938** The dot became a trademark as well as the new company name: Blaupunkt.
- 1959** The year 1959 saw the delivery of the one millionth car radio.
- 1971** Ten million Blaupunkt car radios were produced.
- 1974** First car radio with traffic information receiver.
- 1979** 25 million Blaupunkt car radios produced..
- 1982** Prototype of first route guidance system.
- 1989** World’s first mass production ready traffic navigation system.
- 1999** Production of 100 million Blaupunkt car radios.
- 2002** First web-linked navigation system.
- 2007** 75 years car radio.
- 2010** Blaupunkt TV and Multiband Receivers became the first licensed product categories.
- 2012** The product range of Blaupunkt was expanded to include additional product categories such as tablet computers, mobile navigation, audio and video and air conditioning.
- 2015** Blaupunkt was awarded the “Brand of the century – German brand standards”.
- 2016** The product range of Blaupunkt was expanded to include additional product categories such as small household appliances and personal care.
- 2023** Blaupunkt won two prestigious “Red Dot” Awards for built-in appliances.

The Blaupunkt range is growing quickly, covering almost every category of the consumer lifestyle all over the world.
