START THE GRILL SEASON AT THE HIGHEST LEVEL!

Grills & BBQ

The aura of warm and sunny days and longer evenings encourages us to spend time with family and friends in the bosom of nature and to organise grill parties together. Grilled dishes are very aromatic, tasty, and often also low in calories. The BLAUPUNKT charcoal grills are popular among people who have their own gardens, plots or those who like to spend time outdoors. For consumers who are looking forward to summer or those who like grilling, but do not have a suitable place for it, the BLAUPUNKT brand has introduced electric grills to its portfolio, which will allow them to prepare grilled meat, fish or vegetables even in a small kitchen.

The grill season can last all year round!
