

BOOMBOX – BB33BT

This versatile boombox is a compact all-in-one audio system designed for use at home, in classrooms, and outdoors. It features a top-loading CD player with MP3 playback, an AM/FM tuner with 40 station presets, and Bluetooth for wireless music streaming from a smartphone or PC. Additional playback options include USB and SD card support. With a power output of 2 × 6 W RMS, LCD display, clock with alarm, Line-in and headphone output, it offers everyday convenience and clear sound. The boombox can be powered by AC mains or batteries, making it ideal for both indoor and outdoor use.
